

Post Prom Committee
Long Prairie-Grey Eagle School

November 17, 2023

Dear Business Owner,

On April 20, 2024, LPGE students will participate in the Post Prom Celebration. Our students are eagerly anticipating the memorable event. A high percentage of our high school juniors and seniors attend each year, as well as their guests, will attend this chemical-free event to cap off their Prom festivities. We are excitedly planning a variety of games, entertainment, music, food and prizes to make this a special night for all who attend.

It is the goal of the Post Prom committee to keep our young people safe on Prom night as they celebrate with the Enchanted Forest theme. We feel the event is important to our community and worthy of your support.

In the past parents, individuals, area businesses and local organizations have contributed generously toward providing a safe a fun night for our young people. We are hoping this year will be the same. Please consider donating cash or merchandise for our students.

Please complete the form at the bottom of this page and return it with your donation to LPGE Schools. Donations can also be dropped off at LPGE Secondary or Elementary. Please respond by January 15, 2024.

Thank you for your generosity,
LPGE Post Prom Committee and Students
